Resident Director's courses Both courses are 3 credits.

Students must take at least one of the two courses offered by the UHM Resident Director, when available. Course descriptions are listed separately.

IESEG courses

A sample list of courses follows. The complete list is online. Based on the total number of credits enrolled at IESEG, UHM equivalents will be given accordingly.

www.ieseg.fr/en/international/study-at-ieseg-in-exchange/course-list

IESEG courses are classified in European Credit Transfer System (ECTS), in which 2 ECTS = 1 UHM credit. IESEG courses can range from 1.5 to 6 ECTS, but most are 2 ECTS. UHM students are advised to select three 2-ECTS courses in a singular subject area to receive 3 UHM credits.

These credits are usually BUS 367-Business Study Abroad, with the appropriate alpha: C) accounting, (D) management of informational systems, (F) finance, (G) management, (I) international business, (K) marketing, (M) human resources, (R) real estate.

Students can search for IESEG courses and descriptions in their desired area. As an example, a search for FINANCE turns up more than 50 possibilities. Students can select three 2-ECTS finance-related courses to receive BUS 367F. If students wish to receive an equivalency other than BUS 367, they can work with their academic advisor and/or appropriate faculty member to determine which IESEG courses need to be taken to fulfill specific equivalent UHM credits.

Because IESEG does not produce a schedule of courses or timetable before the semester begins, students ideally should have a list of all their possible courses. Students will register for courses during the first week of the program in Paris.

Sorbonne language and phonetics courses

According to students' previous French-language background prior to studying in Paris, they will receive between 6 and 12 equivalent credits, composed from the list of UHM courses below:
